

Contents

1. Burden of Invasive Pneumococcal Disease and the Need and Choice of a Vaccine in India	1
<i>TD Chugh</i>	
Burden of Pneumococcal Disease	1
Choice of Pneumococcal Vaccines	2
Prevalence of Pneumococcal Serotypes in India and Vaccines	2
Pneumococcal Serotypes and Antimicrobial Sensitivity and IPD in India	3
2. Clinical Pneumococcal Disease Burden	4
<i>Akash Malik</i>	
Global Burden of Pneumococcal Diseases	4
Age-wise Distribution of IPD	5
Burden of IPD in India	6
Serotype Prevalence and Antibiotic Sensitivity of IPD	6
Pneumococcal Vaccines	7
3. <i>Streptococcus pneumoniae</i>: An Insight into Molecular Pathogenesis and Virulence Factors.....	9
<i>Neema Negi, Bimal Kumar Das</i>	
Molecular Mechanisms of Pneumococcal Pathogenesis: The Bacterial Perspective	9
Regulation of Pneumococcal Gene Expression: The Driver's Seat	21
Host Pathogen Interaction: Tug of War	22
<i>S. Pneumoniae</i> Evasion of Immune System	24
Way Forward	27
4. Host Defense Mechanisms and Risk Factors in Pneumococcal Diseases	33
<i>Vinod Gunasekaran, Anupam Sachdeva</i>	
Pneumococcal Factors Responsible for Virulence	33
Host Defense Mechanisms	34
Host Risk Factors for Disease	37

5. Worldwide Epidemiology of Pneumococcus.....39

Meenu Singh, Nishant Premnath Jaiswal

Pneumococcal Syndromes **40**

Invasive Pneumococcal Diseases **40**

Serotype Epidemiology **42**

Antibiotic Resistance **42**

Prevention **43**

6. Epidemiology and Molecular Mechanisms of Antimicrobial Resistance in *Streptococcus pneumoniae*45

Reba Kanungo, Sandhya Bhat

General Concept of Resistance Mechanism in Pneumococci **45**

Association of Resistance with Certain Serotypes **46**

Resistance to Penicillin and Other Beta-lactam Antibiotics **46**

Cotrimoxazole Resistance **47**

Macrolide Resistance Mechanism **48**

Tetracycline Resistance Mechanism **48**

Resistance Mechanism to Chloramphenicol **49**

Fluoroquinolone Resistance **49**

Rifampicin Resistance in Pneumococci **49**

7. Recent Advances in Laboratory Diagnosis of Pneumococcal Disease.....52

Sandhya Bhat, Reba Kanungo

Conventional Microbiological Methods for Establishing Bacterial Etiology **52**

Antigen Detection Assays **55**

Antibody Detection Assays **56**

Nucleic Acid Amplification Tests (NAAT) **56**

Biomarkers **57**

8. Need for Research in Epidemiology and Microbiology of Pneumococcal Disease in India59

TD Chugh

Epidemiology of Pneumococcal Disease in India **59**

Microbiology of Pneumococcal Disease **60**

9. Clinical Spectrum of Pneumococcus Infections—An Overview	61
<i>Anita Shet</i>	
Introduction and Burden of Pneumococcal Diseases	61
Historical Aspects and Natural History of Pneumococcal Infections	62
10. Bacteremia	65
<i>Ritabrata Kundu, Jaydeep Choudhury</i>	
Disease Spectrum	65
Occult Bacteremia and Sepsis	66
Clinical Features	66
Prevention of Bacteremia	70
11. Clinical Features of Pneumonia	72
<i>Krishan Chugh, Neetu Talwar</i>	
Pearls	72
Introduction	72
Risk Factors	72
Clinical Features of Pneumonia	74
Symptom-based Classification of Pneumonia, According to New WHO guidelines – 2014	76
Clinico-Etiological Correlation	77
Clinical Markers for Pneumococcal pneumonia	78
Investigations	78
Recurrent pneumonia	79
12. Acute Otitis Media and Sinusitis in Children.....	84
<i>Pallavi Pimpale, Nitin Shah</i>	
Acute Otitis Media	84
Predisposing Factors	85
Pathophysiology of Acute Otitis Media and Otitis Media with Effusion	85
Clinical Manifestation	85
Diagnosis	87
Complication of AOM	88
Sinusitis	90
Vaccination	91

13. Acute Mastoiditis in Children.....94*Manjori Mitra*Bacteriology **94**Clinical Features **95**Complications **96**Diagnosis **96**Treatment **97**Outcome **97**Follow-up **98**Prevention **98****14. Pneumococcal Eye Infections 100***AK Grover, Shaloo Bageja, Amrita Sawhney*Pneumococcal Conjunctivitis **100**Pneumococcal Keratitis **102**Pneumococcal Endophthalmitis **104****15. Bone and Joint Infections..... 108***Abhay K Shah*Bone and joint infections **108**Pathogenesis **109**Epidemiology **109**Microbiology **109**Pneumococci as a Cause of Bone and Joint Infection **110****16. Pneumococcus Skin and Subcutaneous Infection..... 116***Tapisha Kumar, Shyam Kukreja***17. Pneumococcal Peritonitis..... 118***Shivani Bansal, Kanav Anand, PK Pruthi*Types **118**High-Risk Group **119**

18. Pneumococcal Endocarditis 123

*Praneet Lale, Neeraj Aggarwal, Mridul Agarwal,
Reena K Joshi, Raja Joshi*

Definition **123**

Epidemiology **123**

Pathogenesis **124**

Pathophysiology **124**

Clinical Features **125**

Laboratory Diagnosis **128**

Echocardiography **129**

Diagnostic Criteria **130**

Complications **131**

19. Pneumococcal Pericarditis 134

Mridul Agarwal, Praneet Lale, Neeraj Aggarwal, Raja Joshi

Definition **134**

Pathogenesis **135**

Clinical Manifestations **136**

Treatment **142**

**20. Pneumococcal Infections and Treatment
in an Immunocompromised Host 147**

Neha Singh, Anupam Sachdeva

Antibiotic Therapy in Immunocompromised Children **148**

Primary Immune Deficiencies **150**

Secondary Immune Deficiency—HIV **151**

Pathogenesis **151**

Solid Organ and Hematopoietic Stem Cell Transplant Recipient **153**

Asplenia or Functional Asplenia **154**

Pathogenesis of Pneumococcal Sepsis in a Splenectomized Child **155**

Nephrotic Syndrome **157**

21. Treatment Guidelines for Bacteremia, Meningitis, Pneumonia 159

S Balasubramanian, K Dhanalakshmi

- Emergence of Antimicrobial Resistance **159**
- Antimicrobial Susceptibility Testing **159**
- Change in Penicillin MIC Criteria for *S. Pneumoniae* **160**
- Changing Patterns of Antimicrobial Resistance **160**
- Current Scenario in India and Other Asian Countries **161**
- Mechanisms of Antimicrobial Resistance **162**
- General Principles of Treatment **163**
- Treatment of Streptococcal Pneumoniae Meningitis **163**
- Role Of Dexamethasone **165**
- Repeat Lumbar Puncture **165**
- Treatment of Pneumonia **165**
- Selection of the Antibiotic, Route, Dosage and Duration **166**
- Treatment of Bacteremia **169**
- Prognosis **171**

22. Pneumococcal Meningitis 176

Bharat Mehra, AJ Chitkara

- Epidemiology **176**
- Pathophysiology **177**
- Diagnosis **177**
- Management **178**
- Supportive Care **179**

23. Miscellaneous Infections Caused by Pneumococcus 181

Vinod Gunasekaran, Anupam Sachdeva

- Pneumococcal Brain Abscesses **181**
- Pneumococcal Epidural Abscess **183**
- Pneumococcal Pericarditis/Pericardial Abscess **183**
- Symmetrical Peripheral Gangrene **184**
- Pneumococcal Hemolytic Uremic Syndrome **184**
- Preseptal and Orbital Cellulitis **185**

24. Immunoprophylaxis 187*Neha Singh, MP Jain*Immunoglobulins **187**Antisera **188****25. Unconjugated Polysaccharide Pneumococcal Vaccine..... 191***Sangeeta Yadav, Aashima Dabas*Vaccine **191****26. Conjugated Capsular Polysaccharide
Pneumococcal Vaccines 196***Vipin M Vashishtha*Pneumococcal Polysaccharide Vaccine **196**Pneumococcal Conjugate Vaccines **197**Vaccine Compositions **197**Vaccine Immunogenicity and Efficacy **198**Vaccine Effectiveness and Global Impact Data **200**Herd Effect **204**Effect on Antibiotic Resistance **205**Serotype Replacement **207**Impact of PCVs Introduction on Health Systems **207**Safety **207**Serotypes Coverage Difference between the Available PCVs **207**Public Health Perspectives **209**Choice of Schedule **210**Current Status of PCV Use in NIPs Around the Globe **212**Recommendations for Use **213**Next Generation Pneumococcal Vaccines and Future Needs **216****27. Potential Future Pneumococcal
Vaccines and Future Strategies 224***Naveen Thacker, Ashish Pathak, Deep Thacker*Prevention of Pneumococcal Infections Using Vaccination **224**Need and Rationale for a New Improved Vaccine **224**Vaccine Development Strategies **225**

28. Introduction of Pneumococcal Conjugate Vaccine in India 229

Rajiv Tandon

Background **229**

Introducing Pneumococcal Conjugate Vaccine in India **230**

29. Role of Donor Agencies..... 233

Shyamashree Das, Raj Shankar Ghosh

Evolving Role of Donor Agencies **234**

What is Driving this Change? **234**

Role of Donors in Today's World **235**

Case study: GAVI, the Vaccine Alliance **235**

Impact in India **236**

Index 239
