

Contents

SECTION 1: BASIC

- 1. Embryology and Anatomy of Placenta** 3
Renu Chauhan
- 2. Placenta: Physiology and Functions** 10
Nilima Shanker, Ravi Kaushik, Neerja Goel
- 3. Placental Maturity and Grading** 21
Mayuri Ahuja, Neerja Goel, Archana Mehta, Shehla Jamal
- 4. Developmental and Other Abnormalities of Placenta** 26
Alpana Singh, Vandana Dhama

SECTION 2: CLINICAL

- 5. Placenta Previa** 35
Uma Singh, Manju Lata Verma
- 6. Abruptio Placentae** 44
Urmila Karya, Varsha Priydershini
- 7. Placenta Accreta Spectrum: Overview** 52
Kiran Pandey, Sangeeta Arya, Alpana Singh
- 8. Radiological Aspects of Placenta Accreta** 63
Thakur Ajit Kumar, Alpana Singh, Nivedita Sinha
- 9. Conservative Management of Placenta Accreta** 71
PK Saha, Ashima Arora, Alpana Singh
- 10. Preoperative Checklist for Placenta Accreta** 77
Alpana Singh, Rashmi Shriya
- 11. Surgical Management of Placenta Accreta Spectrum** 81
Pratima Mittal, Jyotsna Suri

12. Prevention and Management of Bladder Injury Related to Placenta Previa Accreta	88
<i>Alpana Singh, Megha Jindal, Umesh Sharma</i>	
13. Complications and Management of Placenta Accreta	96
<i>Richa Sharma, Vasudha Gupta</i>	
14. Role of Embolization in Placenta Accreta	101
<i>Vatsala Dadhwal, Shivanand G, Latika Chawla, Vasudha Gupta</i>	
SECTION 3: ADVANCED	
15. Role of Placental Markers in Advanced Obstetrics	113
<i>Bindiya Gupta, Anju Bala, Neerja Goel</i>	
16. Morbidity and Mortality Related to Placental Conditions	121
<i>Amrita Chaurasia, Suchi Lakhanpal</i>	
<i>Index</i>	127
