

Contents

Section 1

Basics and Guidelines

Basic Science

- Chapter 1. Insulin Biochemistry 3**
Rajiv Singla, Prisha Sachdeva
- Chapter 2. Insulin Physiology 7**
Josephine Akpalu, Ernest Yorke, Yacoba Atiase
- Chapter 3. Anatomy and Insulin..... 13**
Sanjay Gupta

History and Trivia

- Chapter 4. The Discovery of Insulin 16**
Ernest Yorke, Josephine Akpalu, Yacoba Atiase
- Chapter 5. History of Insulin: A 21st Century Update 21**
Deep Dutta, Meha Sharma, Ihsan Esen
- Chapter 6. Non-Diabetic Uses of Insulin 25**
Arundhati Dasgupta

Guidelines

- Chapter 7. Insulin and International Guidelines 30**
Jay Chordia
- Chapter 8. Insulin and Selected National Guidelines..... 38**
Altamash Shaikh, Om J Lakhani
- Chapter 9. Regimen Specific Guidelines..... 44**
Manoj Kumar, Ashok Kumar

Section 2

Pharmacology

Taxonomy

- Chapter 10. Classification of Insulin Regimens..... 55**
Aishwarya Krishnamurthy, Saptarshi Bhattacharya
- Chapter 11. Classification of Insulin Preparations 62**
Yacoba Atiase, Ernest Yorke, Josephine Akpalu

Chapter 12. Insulin Delivery Devices69

Nitesh Arora, Sachin Chittawar

Specific Preparations**Chapter 13. High-Mix Insulins.....75**

Savita Verma, Jyoti Sharma

Chapter 14. Insulin Pump.....83

Ramkumar S, Vinaykumar Mukhekar

Chapter 15. High Concentration Insulins.....95

Savita Verma, Noopur Verma

Advances**Chapter 16. Insulin and GLP1 Agonist Co-formulations 103**I Ranathunga, SA Abhayaratna, S Pathmanathan,
D Karuppiyah, NP Somasundaram**Chapter 17. Smart Insulin 112**

Ameya Joshi, Girish Parmar, Sanjay Kalra

Chapter 18. Non-Injectable Insulin 123

KVS Hari Kumar

Section 3**Clinical Approach****Clinical Choices****Chapter 19. Insulin: Choosing a Rational Regimen..... 131**

Sameer Aggarwal

Chapter 20. Insulin: Choosing a Pragmatic Preparation 140

Indira Maisnam

Chapter 21. Choosing a Dependable Delivery Device 150

Dheeraj Kapoor, Ranjana Bhatt

Specific Populations**Chapter 22. Insulin in Infants and Children..... 156**

Sambit Das, Sunil Kumar Kota

Chapter 23. Insulin in Pregnancy and Lactation 162

Sunil Kumar Kota, Sambit Das

Chapter 24. Insulin Therapy in Elderly..... 171

Dhiraj Kapoor

Special Situations

- Chapter 25. Insulin and Fasts** 179
Rajneesh Mittal
- Chapter 26. Ramadan and Insulin** 186
Jyotshnarani Sahu, Soniya Chahal, Deepak Khandelwal
- Chapter 27. Post-Transplant Diabetes Mellitus Regimen** 194
Om J Lakhani

In-Hospital Settings

- Chapter 28. Insulin in Critical Care** 203
Viny Kantroo, Saptarshi Bhattacharya
- Chapter 29. Insulin in Noncritical Care Setting** 211
Nipun Lakshitha de Silva, HA Dissanayake,
SA Abhayaratna, P Katulanda, NP Somasundaram
- Chapter 30. Perioperative Glycemic
Management with Insulin** 222
MDSA Dilrukshi, PSA Wijewickrama, SA Abhayaratna,
S Pathmanathan, NP Somasundaram

Section 4 Complications and Safety

Acute Care

- Chapter 31. Insulin Use in Managing Diabetic Ketoacidosis** 235
Shahjada Selim
- Chapter 32. Insulin in Managing Hyperglycemic
Hyperosmolar Nonketotic Syndrome** 242
Shahjada Selim
- Chapter 33. Intravenous Insulin: Technical Issues** 248
Gagan Priya

Monitoring

- Chapter 34. Insulin and Self-monitoring of Blood Glucose** 260
Suraj Kubihal, Alpesh Goyal
- Chapter 35. Glucose Monitoring: Beyond Fingerstick** 276
Sarah Nadeem, Bhagwan Das
- Chapter 36. Insulin and Long-term Glycemic Monitoring** 281
Sameer Aggarwal, Jaikrit Bhutani

Hypoglycemia

Chapter 37. Hypoglycemic Unawareness 287

Neha Verma

Chapter 38. Management of Hypoglycemia 294

Vélayoudom Fritz-Line

Chapter 39. Cardiovascular Health and Hypoglycemia 300

Fasanmade Olufemi Adetola, Odeniyi Ifedayo Adeola

Section 5

The Softer Side

Psychosocial Issues

Chapter 40. Insulin Distress and Insulin Motivation 309

Jubbin Jagan Jacob, Arshdeep Waris

Chapter 41. Insulin Story Telling 319

Sanjay Kalra, Sameer Aggarwal, Akshit Chitkara

Chapter 42. Quinary Prevention and Insulin Use 328

Arun Kumar, Sanjay Kalra

Insulin Technique

Chapter 43. Insulin Technique 334

Atul Dhingra, Sanjay Kalra

Chapter 44. Technique on Insulin Pump 342

Sandeep Suri

Chapter 45. Insulin Storage and Disposal 351

Ashok Kumar

Public Health

Chapter 46. Biosimilars 359

Sarita Bajaj, Zhanay A Akanov, Supriya Pawar

Chapter 47. Insulin as an Essential Medicine 369

Varun Arora, Soumya Swaroop Sahoo

Chapter 48. Social Marketing and Insulin 376

Om J Lakhani

Index 383
